NATICK -

Orozco: intelligent, articulate, committed

To the editor:

I am writing to you to let you know how impressed, moved, hopeful I am after having met Sara Orozco last week at "meet the candidate" evening.

She is smart, articulate, a rare good listener, a woman thoroughly committed to making life better for Massachusetts residents.

She symbolizes the perfect Democrat to me, yet also is someone who will listen to others whose vision is different from hers.

Having worked in the health care field and having completed doctoral work in that field, Sara is a specialist in an area affecting all residents of this state and will work for smart coverage for everyone.

Her explanation of why she was voting against casinos in Massachusetts was the most effective yet.

As a happily married heterosexual woman, I support her position on gay marriage as well as reproductive choice for women.

Please support Democrat Sara Orozco as she runs against Republican Scott Brown, not just as one party runs against another, but because she is so keenly intelligent, articulate, committed to the right ideas.
