## **Choices clear in area Senate, House races**

### **To the editor:**

I am writing my endorsement of Dr. Sara Orozco for state Senate in the ninth Norfolk District. I have spoken to her several times and found her to be outstanding and very much interested in helping all of us good voters and citizens in our district.

She bring on a new and much needed caring attitude into the perspective on this Senate race. She really cares.

I feel, as many of my friends do, that when she is elected we will see much needed outstanding and progressive work accomplished in the state Senate.

Please do as I will be doing on Nov. 4 and vote for Sara Orozco.

I also want to recommend my good friend and state representative Richard Ross, whom I have known for more than 30 years, to all the voters of the district.

I am voting for him in the Nov. 4 election and I suggest you all vote for him also.

I have followed Richard's voting record and I have been in favor of almost all of it.

Richard is a kind and considerate individual and goes way past what is required of him.

Please vote, as I will, for the real deal, Richard Ross for state representative.
